

Rustic Moves

Property Search Service

Somerset, Wiltshire & Dorset

At Rustic Moves, we provide an exclusive property search service for discerning clients.

Over recent years, demand for quality houses in the West Country has consistently exceeded supply and this trend will undoubtedly continue. One of our main strengths is that through our network of contacts we are able to avoid the fierce competition of other purchasers.

We receive valuable prior knowledge of property coming to the market and are therefore able in most cases to achieve a purchase on behalf of our clients before the property has even been advertised.

TERMS

An advance payment of £500.00 is payable at the commencement of the search.

A Finders Fee of 1.5% of the total property sale price is payable to Rustic Moves Ltd. upon presentation of their invoice. This invoice will be issued upon exchange of contract and is to be settled within 30 days.

An allowance for VAT should be added to our fees at the current rate.
